

Veterans Day Readings in the Classroom

Veteran Services, Natick Soldiers Systems Center (NSSC) and Natick Public Schools (NPS) are teaming up for our classroom reading events held in the 1st grade and Kindergarten classes in the five Natick Elementary Schools, 19 classrooms on November 6, 7 & 8. Our Veteran volunteers will take part in an opportunity to read in the classroom to help teach students the importance of Veterans Day.

If interested, call Paul Caréw
at 508-647-6545.

A CORI will need to be done by the NPS
administration.
